FROM THE COMMANDER'S DESK

Greetings Members,

I am very proud of our accomplishments as a Post and its beautification as we prepare it for its 80th Anniversary mid October. Thank you for coming together and all your hard work. It was a display of how united our organizations are as a family. Speaking of family, please keep Andy (our Past Commander) in prayers as he is recovering from the tragic car accident.

In regards to the ongoing items:

PAST: We replaced the old shed with a new, clothes donation shed. Please donate your clothes here as the proceeds go to the Post. We are doing financially better, but we can use every penny to keep our doors open and lights on. I attended the District 15 meeting and we are meeting our membership quota, so thank you for that.

PRESENT: As our website domain expires on 10/31, we are taking the opportunity to revamp our website and social media and make them more operational. Also working on improving our rosters, so I can communicate with members efficiently via email. We are getting close to the finish line with improving the indoor and outdoor spaces. We received generous donations from our community in support of our anniversary celebration, so please enjoy the festivities October 16-18. We are also hoping to have cold draft beer by then!

FUTURE: District Commander will visit us on 10/26. Expect similar Thanksgiving like last year where we all come together in preparation and celebration. Department conference is on 11/20. And December will be our clothes donation drive month.

Lastly, I promised to explain "UnitY = Unit with a Y." We all joined this Post for a different reason, so take a moment and ask yourself why you joined, and maybe ask others why they joined. There is no wrong answer, but there will be different answers. We are all different, but we have one thing in common – we are members of this lovely Post, and we are a unit.

Know your reason of a Y, treat each other with respect, help out where you can, so our unit can prosper in unity.

Semper Fi! Unity = Unit with a Y

Sonia Ilias - Commander

American Legion Alafia Post 148

FROM THE DESK OF THE 1ST VICE COMMANDER

Greetings Members,

The Dept of Florida has begun processing 2027 membership on the website MyLegion.Org. National will be mailing renewal notices in October again. American Legion and Sons of the American Legion squadron membership can be accessed through the website. Setup your account to pay online, mail it or drop your renewal off at the Post. We love to see you! Our next Dept 2026-2027 Membership Target date is October 7, 2026 at 55% membership renewal and we are currently at 53.99, keep them coming! Thank you for your support to our Post and the American Legion during the 2026 membership year. Together we had 101%, plus membership, Bravo Zulu! Please submit your 2027 dues to prevent a break in service years. The National American Legion website and dues amounts are located below.

Together, The American Legion family, (Auxiliary, SAL, Riders) can achieve "All For One Membership".

Kevin O'Donnell—1st Vice Commander

FROM THE DESK OF THE 2ND VICE COMMANDER

As we continue moving American Legion Alafia Post 148 forward, I want to take a moment to thank everyone who has given their time, energy, skills, and support to our recent Post refresh project and the many other efforts taking place to make our Post better. Whether you picked up a paintbrush, helped clean, repaired something, supported an event, worked in the kitchen, volunteered behind the scenes, or simply stepped up when something needed to be done—your efforts matter, and they are helping prepare Post 148 for the next 80 years. For eight decades, our Post has been a place for Veterans, their families, and our community to come together in service, fellowship, and support of one another, and that is a history worth celebrating. October 16-18, we will come together for our 80th Anniversary weekend to honor where we have been while looking forward to where we are going. Making this celebration successful will take all of us, and we need volunteers throughout the weekend to help with daily setup, cooking, cleanup and teardown. If you can give an hour, a few hours, or an entire day, please step up and be part of making this milestone something our entire Legion family can be proud of. Thank you again to everyone who continues to invest in our Post—not just for today, but for the generations who will call Post 148 home in the years ahead. We are 148!

David Jones—2nd Vice Commander

AMERICAN LEGION RIDERS

Greetings Fellow Riders!

I'm sure you all know by now that our Director and good friend, Andy Davis, was in a bad car accident. Please keep him, Michelle, and their family in your thoughts and prayers. He will be missed around here until he is able to return. On a brighter note, I have been your new Road Captain for 5 months now and wanted to say thank you to everyone for all your support and appreciation you have demonstrated. I appreciate it a lot! Also, thank you to everyone that was able to make out to our Hotdogs in the park, it was a great turnout. We made more hotdogs than usual, and we ran out instead of having leftovers. We had a couple of poker runs that we attended. I haven't heard numbers on them, but it was a good turnout for them. Coming up, October is Merry-Go-Round month. Our Merry-Go-Round is on October 17th. October 17th is also the 80th birthday of our Post. We have lots of things planned for that day, including the comeback of our Bike Night. Keep your eyes posted on your email and on Facebook for any updates. The Post will be having a Halloween Party, so make sure you have that crazy costume planned and ready. Since Halloween is the last Saturday of October, don't forget that we moved our Riders Dinner to the prior Saturday, Oct. 24th. Vicky and I will be making taco salad, refried beans, and spanish rice. Also, if you haven't done so already please make sure to go online and register for Football with a Purpose. We will meet at our Post and Post 138 for registration and breakfast if you want it. From there, Salty will be leading us to Raymond James Stadium dressed in his full Bucs garb. You can just ride and leave, you can stay to tailgate, or get tickets to the game. See you at our upcoming Riders meeting.

I look forward to working with the Auxiliary and the Legion to make our family more special. "Mutual Helpfulness" will apply. Thank you to Kate and Andy for recently working the Fish Fry, along with our SAL member, Billy Bob. He was very cool and intelligent and I can't wait to work with him again.
